

Ani Attamian

Ani Attamian is a keynote speaker and business advisor. She spent two decades inside the enterprise, including eleven years at Google, where she led EMEA publishing product partnerships and brought auto-narrated audiobooks to publishers using machine learning. She founded LEMA® Collective. Her Data-to-Decision Sequence names the one root cause behind a stalled transformation, while marketing, production and data teams patch separate layers. She is a Board Adviser to the ARI Literature Foundation, championing educational access.
